Travel with Success.

Day 1 - We depart Cardiff and travel to Waddesdon Manor (NT). This Victorian property, built by Baron Ferdinand de Rothschild in the style of a French Renaissance-era château, was used to entertain fashionable guests and to house his flamboyant collection of fine art. A light lunch will be included here, before we continue on to Cambridge.

Day 2 - This morning is spent exploring the architecture & history of Cambridge. A guide will take us on a walking tour of a selection of the ancient colleges. We then continue on to Ely for a tour of

Ely Cathedral

the magnificent Cathedral. Highly regarded for its beauty and size, Ely Cathedral is visible for miles around.

Day 3 - After breakfast we travel to Stamford, one of the finest stone towns in England. We stop for tea/coffee before commencing

The Fitzwilliam Museum

our walking tour of the town. After lunch (not included), we continue to Burghley House for a guided visit followed by time to explore the gardens. This grand Elizabethan house boasts 18 magnificent State Rooms and a huge collection of art, including one of the most important private collections of 17th century Italian paintings.

Day 4 - Our first visit today is to Kettle's Yard, a unique house in Cambridge and former home of Jim Ede, curator of the Tate London in the 1920s & 1930s. The house is also the University of Cambridge's contemporary and modern art gallery, showcasing a variety of artworks. Tea/coffee is included in our visit to Kettle's Yard. We will then visit the Fitzwilliam Museum - one of the most impressive regional museums in Europe, with over half a million incredible works in its collection presenting world history and art from as far back as 2500 BC. There will be some time to explore Cambridge independently before returning to the hotel.

Day 5 - Checking out of the hotel we travel south to Audley End, a decadent Jacobean Mansion house with an impressive great hall, magnificent state apartments, intimate dressing rooms, libraries and a Gothic-style chapel. More than 30 lavishly decorated rooms are open to the public, displaying Robert Adam furniture and important natural history and silver collections. Paintings here include works by Holbein and Canaletto, and an outstanding series of British portraits. The house is set alongside beautiful gardens, the work of two of the most famous

Audley End House

and influential designers of the 18th century: Lancelot 'Capability' Brown and Robert Adam. After time here, we continue on our journey back to Cardiff.

The exact order of excursions is subject to change. It may be necessary to substitute some attractions.
