

THE HISTORY, ART AND PALACES OF VIENNA AND THE DANUBE VALLEY WITH THOMAS ABBOTT

The Friends of the Museum are proposing a study tour to Vienna leaving on October 5th, 2023, for 6 days. We are immensely pleased that throughout the trip we are fortunate to have secured the services, as our guide, of an old friend of FOM, the eminent art historian, Tom Abbott.

Vienna is an astounding historical city of art and music with more to offer than could be accommodated in the mere 6 days at our disposal but here are some of the visits suggested:

- *Guided tour of Vienna
- *Karlskirche
- *St Stephen's Cathedral
- *Secession building
- *Melk Abbey
- *River Danube Cruise
- *Kunsthistorisches Museum
- *Museum Quarter [Schiele]
- *Schonbrunn Palace
- *Upper Belvedere Palace [Klimt]

The cost for the 6 days is £1,625 and includes coach, flights from LHR to Vienna, entry fees except to the Museum quarter and accommodation, b/b. There is a single room supplement of £289.00 per person. Dinner and wine on the first night are included.

Our hotel is the 4* K+K Maria Theresia Hotel, centrally placed near the Museum Quarter, used previously by our groups and found to be comfortable and convenient. The link is:
